Snap-it® nonmetallic fitting

With a superior pullout performance and cost efficiency, the Snap-it nonmetallic fitting is available in 1/2 and 3/4 in.

Features and benefits
- Easy "Snap-it" installation in knockouts, no tools needed
- Snug fit eliminates movement within knockout
- Exceeds pullout requirements, better cable security
- Insertion from inside or outside of enclosures increases installation flexibility
- Distinctive colours to differentiate both sizes; grey for 1/2 in. and blue for 3/4 in.
- Certified for one or two cables
- Designed and manufactured in Canada
Quick and easy installation

01 Align the flat surface or opening with the burr of the knockout for easier insertion.

02 et 03 Insert the fitting into the knockout without the cables, from the inside or the outside of the enclosure.

04 For two cables installation: both cables may be inserted at once or one after the other.
