

SIGNATURE SERVICE 2025

# PowerTrain™ Product training

PowerTrain is packed with powerful knowledge and useful tips to help you and your staff excel at your jobs. The program was designed specifically for you and is available exclusively to Signature Service distributors in Canada. [www.tnbpowertrain.com](http://www.tnbpowertrain.com).

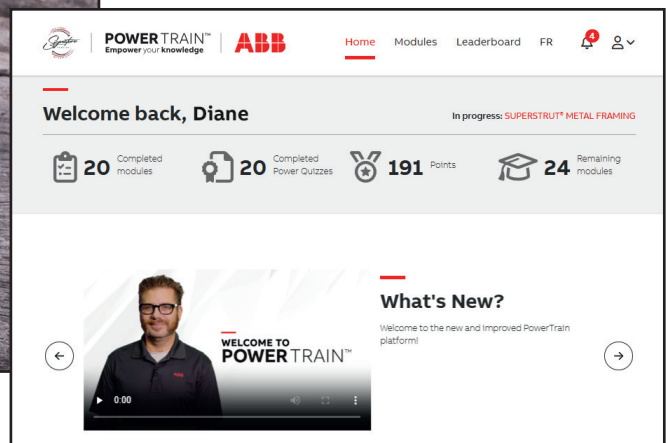

We're constantly adding new training modules and product videos to the platform. Our latest additions as of January 2025 include:

- **Electrical outlet boxes for fire-resistant walls**
- **Superstrut® metal framing**
- **Installation tools**

Be among the first to know when new content is added, or when we launch new promos, by checking the "Please notify me by email when new content comes out." option when you register or by updating your user profile.

As of January 2025, 42 training modules were available on the platform. For your convenience, we've included a complete list on the reverse side of this sheet.

Stay tuned. 2025 is looking like another great year to turn up your knowledge with PowerTrain!
